

DESSY *size guide*

Women's Shoe Size Finder

INSTRUCTIONS:

To determine your correct size, print out these pages. Place this page underneath the other and align each printed page with the Alignment Guides (stars). When aligned, tape the pages together and follow the instructions below:

Stand on the chart with your heel on the indicated mark and measure to the end of your longest toe. If your toe is between two numbers, choose the higher number as your size.

Use these marks to align your 8.5"x11" printouts
